MAYOR PAWLOWSKI DISCUSSES ISSUES AT HOUSE PARTIES

Mayor Ed Pawlowski continues to meet with Allentown residents at house parties.

The Mayor enjoys the opportunity to update residents on issues concerning the city, the progress Allentown has made since he was elected Mayor and his vision for leading the city into the future.

Hosting a house party is easy and casual. It is simply an evening or weekend afternoon when the Mayor comes to your home and makes an informal presentation. By holding a party at your home, your neighbors, friends and colleagues will have the opportunity to talk to Ed about a host of issues important to you.

"House parties are one of my favorite venues for spreading the news about the positive changes occurring in Allentown," Mayor Pawlowski said. "I really enjoy the give-and-take of these smaller, informal get-togethers."
