Mayor Pawlowski to Visit Westminster Village

Allentown Mayor Ed Pawlowski and his campaign staff have been visiting with senior citizens at senior centers and assisted living homes over the past several weeks. On Thursday, October 15, the Mayor will visit Westminster Village in East Allentown.

The Mayor wants to assure that the views of the city's most vulnerable residents are heard as he enters the final weeks of his mayoral re-election campaign.

"Older residents are one of the most valuable resources that our city has and we need the benefit of their past experiences and their present ideas for the city to continue to move forward," Pawlowski said.
